Mpyemo and Nzakara New Testaments arrive in Bangui

Back in May, we reported that the Nzakara and Mpyemo New Testaments were ready for printing and asked for prayers that the books would be kept safe in shipping from Europe, through customs and then the overland journey to Bangui, Central African Republic.

The New Testaments arrived at the ACATBA center on October 7th. We invite you to rejoice with us and thank you for your prayers!

Please continue to pray as the two language communities are now arranging for Bible dedications, as well as the distribution of the Bibles. Pray that God will open eyes spiritually in the Mpyemo and Nzakara language communities through the power of His Word!

Bekwel New Testament arrives in Brazzaville

After more than 20 years of hard work, perseverance and prayers, the Bekwel New Testament was completed and arrived at the SIL Congo center in Brazzaville, Congo on July 28th. Please pray for the widespread distribution and that God will open people's hearts to hunger for His Word.

During our time in Congo, we were friends with the couple who worked on this translation, so it is a special joy to see it finally published.

Every Summer JAARS hosts an event called Camp Aero. Interested and exploring youth (ages 14-18) arrive in Waxhaw for a week of summer camp engagement that is purposed to cast vision for missionary aviation. Great Commission daily devotions, special messages from experienced missionary pilots and mechanics, aviation ground school classes, hangar/shop/maintenance projects, and you guessed it, actual flight instruction are all arranged to create an active, informative and exciting week that challenges the campers' hearts. Pictured here are 16 Campers, 4 Flight Instructors, 4 Camp Counselors and 3 Camp Administrators.

Summer is over but it is not too early to begin thinking about next summer, if you have a teen interested in aviation—<https://www.jaars.org/camp-aero>.

For those who are local or within driving distance of North Carolina, JAARS Day on October 24 from 9:00 a.m. to 4:00 p.m. Historically hundreds of people attend this one day open campus where they discover how JAARS “Covers The Last Mile” and how they can get involved. Come, enjoy a day of adventure and experience a first-hand look at how God is using JAARS around the world. Be sure to let us know you are coming so we can see you!

Wendy and Mike Buchanan

We praise God:

- For all of you, our partners in ministry, who give and pray for us in this work.
- For the safe arrival of the New Testaments in Congo and Central African Republic!

Please pray:

- For the Holy Spirit to use these new translations to transform hearts and bring the light of new birth in Jesus to those still in darkness.
- The new payment request system which is designed to give our global teams a secure, seamless way to request and manage wire transfers and ACH bank transfers is almost ready to use. Please pray for Michael and his colleagues as they build it. That they find all the major bugs before switching over to it in early January.
